Grading and Evaluations

Montana Hunting Fishing Adventures (Fishing Guide School) does not use a traditional grading system, instead uses instructor evaluation of the quality of work being presented. All work will be graded on a pass-fail system, meaning the student will not be allowed to advance to the next step until the instructor feels the student has acquired the necessary proficiency to advance. If the Student fails to achieve satisfactory progress after the first two evaluations the student's enrollment will be suspended and dis-enrolled from the course and will receive a refund of all tuition fees per the refund policy.

The students will be evaluated in several ways:

1. Regular progress reports upon completion of each section.
2. Oral discussions (daily)
3. Work evaluations and critiques

Attendance

Students are required to attend and participate in all daily classes and ensure they are on time for class each morning. Students will not be allowed to have more than 1 unexcused absence per 8-day course. Students failing to meet this requirement will be dismissed from the course. If students are late due to adverse weather, arrangements will be made available for the student to make up any work.

Medical absence

If a student misses for medical issues. The instructor will schedule a time for the student to make up the time missed during regular hours.

Student Records and Transcripts

Montana Hunting Fishing Adventures (Fishing Guide School) will maintain student records for a minimum of 3 years. At any point during this time students may contact the school to request copies of their certificates or any documents within their folder.

Standards and Conduct

Bad conduct will not be tolerated at Montana Hunting Fishing Adventures (Fishing Guide School). Students that are constantly late to class or fail to show for class will be considered a disruption to the whole class and will be asked to leave. The use of foul language, drinking and constant interruptions will not be tolerated at this school and the offending students will be asked to leave. The use of cell phones (if any service is available) will only be allowed during the student's breaks and not during classroom hours

Code of Student Conduct

The Code of Student Conduct outlines major categories of behavior and states disciplinary actions that may occur as a result of student misconduct.

The following summarizes the levels of disciplinary action, which shall be enforced by school personnel with students who are in violation of school rules,

Level 1 - Verbal

Warning/Reprimand

The teacher/staff members will tell/remind the student not to engage in inappropriate behavior or give the student a reminder of the rule.

Level 2 - Conference

Staff members may conduct a conference with the student.

Level 3 - Intervention

Staff members may use one of the following interventions:

Referral to school Director, temporary removal of a student from class, a meeting of school personnel and others to consider the behavior of the student and make recommendations for improvement, Behavioral Contract (a written agreement between the student and school listing requirements for improvement), Probation (a written agreement with the student for a defined period of good behavior in lieu of suspension), Mediation - referral to conflict mediation.

Level 4 - Suspension

The Program Director, or his/her designee may suspend a student from school with approval of the director, for engaging in prohibited conduct as outlined in the Code of Student Conduct. The student shall be required to confer with the director or his/her designee prior to the student's reinstatement.

Level 5 - Expulsion

A student can be expelled only by the action of the Director who meets in council with the support of 2 staff members. One of the staff members must have been directly involved in the incident. Expulsion from school excludes the student from regular school attendance and activities. Readmission may occur after a petition of the student to the Director and satisfactory progress must be made before readmission.

Drugs and Alcohol

Drugs and Alcohol are not permitted. Students are not to consume or possess any alcohol or controlled substance unless they have a prescription. Any violation may be grounds for termination from the program.

Graduation

Upon successful completion of all course objectives every student will receive a certificate of completion with the title of the course completed from Montana Hunting Fishing Adventures.
