Mission

The purpose of Montana Hunting Fishing Adventures (MHFA) Fishing Guide School is to provide maximum instruction in the art of guided fishing to allow the student to start their own fishing guide service.

School

MHFA Fishing Guide School is a nonaccredited private, for-profit school. The school curriculum was approved by the Montana Board of Outfitters on March 6th, 2015 and has been in operation since then, providing instruction for fishing guides.

Facilities

We are located on 2 acres 3 miles south of Hamilton, MT. Our buildings include a 2000 square foot main office and owner's residence that houses the main classroom, as well as a 1500 square foot work area and equipment storage facility. A 1000 square foot Fly Shop (Bitterroot Fly Company) located at 808 N. Main #2 Darby, Montana 59829 that houses the base for the guiding activities. The public waters of Montana provide the on-the-water training, which includes the Bitterroot River, Blackfoot River, and Clark Fork River.

Governing Body

James Mitchell - Owner, School President, Director, and Instructor

School Administrators, Faculty, and Instructors

James Mitchell: Owner and lead instructor. Jim started fishing at a young age in the Bitterroot Valley. He was taught by his father who started the outfitting business in 1969. Jim began guiding anglers in 2001 and has fished and guided on the most renowned rivers in Montana. Over the years he improved and perfected his technique. Jim enjoys sharing what he has learned over the years with others. Jim has helped many start a fulfilling career as a fly-fishing guide.

Robert Lenfesty: Instructor, and fly-fishing guide.

Robert was born in Seattle, Washington where he grew up fishing for salmon with his family in the Puget Sound. Robert also fished for trout on Washington's beautiful native streams. Robert Lived in Bergen, Norway as a freshman in high school returning to the states in the 10th grade where he graduated from Hargrave Military Academy in Virginia. Robert enlisted in the United States Marines in 2005 and served with second light armored reconnaissance Battalion out of Camp Lejeune, North Carolina deploying to Iraq in 2006 and 2008. Robert was awarded the combat action ribbon and was honorably discharged in 2009. Robert moved to the Midwest to hunt and go to college. He attended the University of Iowa where he was also a volunteer fire fighter. Robert worked in law enforcement after graduating college, but soon found his passion was in the outdoors and in teaching. Robert Got a Job a job working in the Bitterroot Fly Company fly shop 2018, and 2019 and decided he wanted to become a fly-fishing guide. He attended the Montana Hunting Fishing Adventures Fishing Guide school in 2020 and started his rewarding career as a fly-fishing guide. He has attended 2 two other guide schools. Robert finds the water healing. He is passionate about teaching others and enjoys watching people glow as they catch trout on a fly rod for the first or even 100th time. Robert currently splits his time between Montana and Iowa.

Dave Buck: Instructor, and fly-fishing guide.

Dave grew up fishing and hunting in Central Oregon. He joined the United States Air Force at the age of 18 and was stationed in Spokane Washington. He served as a military security officer, and also worked in logistics at the base hospital. He was deployed overseas during Operation Desert Storm and received an honorable discharge in 1994. After separating from the military, Dave moved to western Washington, where he spent just over 20 years as a police officer. During this time, Dave took up fly fishing and spent his free time fishing the lakes and rivers all over Washington and eventually into Montana.

Dave has been fly-fishing now for well over 20 years and regularly fishes' rivers in Montana, Wyoming, Colorado and Utah. He is also an avid salt water fisherman and has fished in many of the popular destinations, such as Christmas Island, Mexico, Belize, Florida Keys and Cuba. Dave started his guiding career in 2023. He is passionate about the sport and enjoys sharing it with the clients that fish with him. He has been selected to be a participant in the Guiding For The Future program this year and looks forward to bringing back that knowledge to share with others.

Proof of Issue/Program Information Acknowledgement

As required by 38 U.S. Code § 3676, MHFA Fishing Guide School will provide a copy of program outline, tuition/program costs, and school policies to students upon enrollment. All students are required to complete a Proof of Issue form and each form will be kept in student's file.

Standards of Progress and Grading

MHFA Fishing Guide School does not use a traditional grading system, instead uses daily evaluations and progress. All work will be graded on a 0 to 4 system, meaning 0 is fail and 4 is exceptional.

Each day a student receives a grade (0-4) from the instructor. At the end of the program all daily grades are added up to determine final grade. In order for a student to successfully pass the program and receive a certificate of completion, the total must be 18 or higher.

Grading System

18 or higher = PASS

17 or less = FAIL

Prior Credit

MHFA Fishing Guide School will evaluate all previous postsecondary education and training, including military experience, for students using VA education benefits. Upon completion of the evaluation process, the school will determine if credit can be awarded. If credit is awarded, the school will reduce program length and cost proportionately, notify the student of the evaluation, and maintain all credit evaluation records. If credit is not awarded, documentation showing that an evaluation was conducted will be kept in student files.

Attendance Policy

Students are expected to attend and participate in all daily classes and ensure they are on time for class each morning. Daily attendance and tardiness are tracked and monitored. If students are late due to adverse weather, arrangements will be made available for the student to make up any work.

Unexcused Absences - Due to the nature of the program and short length, no unexcused absences are allowed. If a student fails to show for one day, that student's enrollment will be terminated.

Excused Absences – One excused absence is allowed and, if taken, the student must contact the school director to arrange make-up work. If more than one excused absence is needed, the student will be required to withdraw from the program and re-enroll in a future class. In addition, the instructor must be notified and approve the excused absence before it can be taken.

Tardies – Three tardies equal one unexcused absence. Therefore, if a student is late to class more than three times and consider tardies by the instructor, the student will be dismissed from the program.

Leave of Absence Policy

MHFA Fishing Guide School does not allow leaves of absence beyond the one allowed excused absence. If a student needs to miss more than 1 day of class, they will be required to withdraw from the program and enroll in a future class.

Student Records and Transcripts

MHFA Fishing Guide School will maintain student records for a minimum of 3 years. Records for every student will include, but not limited to, attendance, progress reports/evaluations, grades, prior credit evaluation and supporting documents, proof of issue form, any conduct related documentation, and a copy of their certificate of completion. At any point, students may contact the school to request copies of their certificates or any documents within their folder.

Student Conduct Policy

The student conduct policy outlines major categories of behavior and states disciplinary actions that may occur as a result of student misconduct.

Bad conduct will not be tolerated at MHFA Fishing Guide School. The use of foul language, and constant interruptions will not be tolerated at this school and the offending students will be dismissed from the program. The use of cell phones (if any service is available) will only be allowed during student breaks and not during classroom hours.

Drugs and Alcohol

Drugs and alcohol are not permitted. Students are not to consume or possess any alcohol or controlled substance unless they have a prescription. Any violation may be grounds for termination from the program.

The following levels of disciplinary actions will be followed when students violate school rules:

Level 1 - Verbal Warning/Reprimand

The instructor will tell the student not to engage in inappropriate behavior and give the student a reminder of the school rules.

Level 2 - Dismissal

If a conduct-related violation occurs, the instructor has the discretion and authority to terminate a student's enrollment.

The MHFA Fishing Guide School reserves the rights to evaluate conduct related violations on a case-by-case scenario to determine what specific action is appropriate. All conduct related violations or infractions will be documented and kept in student's file.

Reinstatement Policy

If a student is dismissed from a program due to standards of progress, attendance, or conduct, the student will be required to contact the owner for readmission approval. MHFA Fishing Guide has sole discretion for determining if a student who was previously terminated can be re-enrolled.

Graduation

Upon successful completion of all course objectives, every student will receive a certificate of completion with the title of the course completed from Montana Hunting Fishing Adventures.
